

ASSIGNMENT #1 LTAD/WELLNESS- FACT SHEET RUBRIC PEER EVALUATION

LEVEL	4	3	2	1
Content	Content is both accurate and complete. Included ways to improve at this stage.	Content is accurate. Did not include ways to improve coaching at this stage.	Content on fact sheet is accurate but the point is unclear and confusing	Content on fact sheet is inaccurate and incomplete
Design	Placement of pictures and graphics are both logical organized and contains at least 1 graphic.	Pictures and info are logical, fact sheet has at list 1 picture	Placement of pictures and information is logical but the pictures and messages are not linked together.	Organization of pictures and content is sloppy and poor.
Effectiveness	Spelling, grammar, and punctuation are correct; fact sheet has clear information and is attractive.	Most of the spelling, grammar and punctuation are correct; fact sheet has clear information and is attractive.	Most of the Spelling, grammar, and punctuation in the fact sheet is correct, fact sheet has information that is both clear and useful.	Spelling, grammar and punctuation are not correct; design is poor; fact sheet does not communicate appropriate information
Instruction	Amazing and Professional I totally understood everything that was shared in our group, and I will ace the QUIZ.	Good I understood a lot of what was being said and taught by the instructor	Getting there. You need to work on a few things.	This was NOT the greatest presentation I have heard, and I will have to go and learn the stuff by myself
Creativity Originality	You are a natural and the way you instructed this topic was AWESOME	This was very good, and you used super creative ways to get the point across	You tried to be original and or creative. Work more on how you used the materials	Little effort to use anything that might have helped us understand the material
QUIZ Mark on Quiz is a Part of this Grade	There will be an online test with questions from the FACT SHEETS. Each of the Sheets will be POSTED on D2L!
